VERSE 1

G C G
Out of the depths I cried to You

D Em C G D
In the quiet of the night when the fears came true

Am C G
I lifted my hands to Your holy place

D Em C G
Desperate just to see a glimpse of Your face

D G C G
And the wonder of wonders, the silence was stirred

D Em C
The sound of my pleading was finally heard

VERSE 2

G D Am C
You are my strength when my knees are weak

G D Em C
You are the shield and the peace that I seek

My heart learns to trust when the shadows are long

And You turn my sighing right into a song

G D Am C
I am helped, I am held, I am lifted high

G D Em
Under the span of a merciful sky

PRE-CHORUS

C G D
So strip it away, the pretense and pride

G C G
Bring the true song that we bury inside

D Em C G
He is the fortress, the rock where we stand
D Am C
The saving strength of the anointed lamb

CHORUS

Therefore my heart greatly rejoices
Em C G
With my song I will thank Him today
D G C G
Give to the Lord the glory due His name

Let the ashes break out into flame

The Lord is my strength, my shield, and my song

To the King of all glory my praises belong
